

# It's Not Me

3 Doors Down

Nevermind the face that you put on  
In front of me  
And nevermind the pain  
You've put me ..through

Cause every little thing you say  
And every little thing you do  
It makes me doubt all of this

What are you waiting for?

[Chorus:]

Look what you did  
Is this who you wanted me to be?  
Well it's not me

Look what you did  
Is this how you wanted it to be?  
This life you gave away  
Was meant for me

Forget about the trip that you've been on  
Or so it seems  
Nevermind the lies that you told, my tears

Cause every little thing you said  
And every little thing you did  
You made me doubt all of this

Is that what your waiting for?

[Chorus:]

Look what you did  
Is this who you wanted me to be?  
Well it's not me

Look what you did  
Is this how you wanted it to be?  
This life you gave away  
Was meant for me  
Was meant for me  
Was meant for me  
Yeah, Yeahhhhhh

Look what you did  
Is this who you wanted me to be?  
Well it's not me

Look what you did  
Is this how you wanted it to be?  
This life you gave away  
Was meant for me

I don't know how I can face this pain  
I'll keep it inside so you can't see  
I don't think I can go on this way, 'cause it's not me
