

# Landing In London

3 Doors Down

I woke up today in London  
As the plane was touching down  
And all I could think about was Monday  
And maybe I'll be back around

If this keeps me away much longer  
I don't know what I will do  
You've got to understand it's a hard life  
That I'm going through

And when the night falls in around me  
I don't think I'll make it through  
I'll use your light to guide the way  
Cause all I think about is you

Well L.A is getting kinda crazy  
And New York is getting kinda cold  
I keep my head from getting lazy  
I just can't wait to get back home

And all these days I spend away  
I'll make up for this I swear  
I need your love to hold me up  
When it's all too much to bear

And when the night falls in around me  
I don't think I'll make it through  
I'll use your light to guide the way  
Cause all I think about is you

And all these days I spend away  
I'll make up for this I swear  
I need your love to hold me up  
When it's all too much to bear

And when the night falls in around me  
I don't think I'll make it through  
I'll use your light to guide the way  
Cause all I think about is you
