

Let Me Go

3 Doors Down

1. One more kiss could be the best thing
One more lie could be the worst
And all these thoughts are never resting
And you're not something I deserve

X: In my head there's only you now
This world falls on me
In this world, there's real and make-believe
This seems real to me

R: You love me but you don't know who I am
I'm torn between this life I lead and where I stand
You love me but you don't know who I am
So let me go, let me go

2. I dream ahead to what I hope for
And I turn my back on loving you
How can this love be a good thing?
I not know what I'm going through

X: In my head there's only you now...

R: You love me but you don't know who I am
I'm torn between this life I lead and where I stand
You love me but you don't know who I am
So let me go, just let me go, let me go

*: And no matter how hard I try
I can't escape these things inside
I know, I know
When all the pieces fall apart
You will be the only one
Who knows, who knows

R: You love me but you don't know who I am
I'm torn between this life I lead and where I stand
You love me but you don't know who I am
So let me go
Just let me go

You love me but you don't
You love me but you don't
You love me but you don't know who I am
You love me but you don't
You love me but you don't
You love me but you don't know me
