

## This Time

3 Doors Down

Unsure of yourself  
you stand divided now.  
Which road will lead you there  
Last time you fell and you hit hard  
Your wounds have healed by now  
But you still see your scars yeah

But it's not the way it use to be right now  
You come so far to just let this go my friend, don't go out  
The same way you did the last time  
You'll break when you fall  
Don't make the same mistakes you did all over  
You've got to believe in yourself this time

Live on, live it up today  
This life's your cup  
So drink it up I say, yeah  
Say it's mine so give it all up to me now  
And walk that line, don't let this go, don't go out the

Same way you did the last time  
Your break when you fall  
Don't make the same mistakes you did all over  
You've got to believe in yourself this time

Life's your cup, life's your cup  
Drink it up  
Life's your cup, life's your cup

The same way you did the last time  
You'll break when you fall  
Don't make the same mistakes you did all over  
You got to believe in yourself this time [2x]
