## 3 Doors Down

Put me on a train mama  
This place just ain't the same no more  
Put me on a train mama  
I'm leavin' today

I don't wanna watch the world spinnin'  
I wanna be spinnin' with it  
Put me on a train mama  
I'm leavin today

'cause I got the fever that's for sure  
And knowin' I can get it makes me want it more  
Mama I just want you to know that I'm gonna be fine

Lord I know it's the chance that I take  
But I know you've forgiven the mistakes that I've made  
There's a life out there and it's gonna be mine

Put me on a train mama  
'cause I can't take this pain no more  
Put me on a train mama  
I'm leavin today

And there's a world that's out there waiting  
And I know that it's the chance I'm taking  
Put me on a train mama  
I'm leavin today

'cause I got the fever that's for sure  
And knowin' I can get it makes me want it more  
Mama I just want you to know that I'm gonna be fine

Lord I know it's the chance that I take  
But I know you've forgiven the mistakes that I've made  
There's a life out there and it's gonna be mine

God knows how long I'll be gone  
But maybe one day a train will bring me home

Put me on a train mama  
Put me on a train mama  
Oh put me on a train mama  
I'm leavin today

'cause I got the fever that's for sure  
And knowin' I can get it makes me want it more  
Mama I just want you to know that I'm gonna be fine

Lord I know it's the chance that I take  
But I know you've forgiven the mistakes that I've made  
There's a life out there and it's gonna be mine

Oh, put me on the train  
'cause I'm leavin' today
