

## Break Up

### 3 Feet Smaller

I celebrate with a tube full of cocain  
Blone whores in skinhead outfits turn me on  
Spank me all night long  
I know I'm a bad influence  
Worse than Charles Manson  
So break up with me  
Just break up with me  
Who loves Gonorrhea like me  
Let's face the fact  
I'm a Maniac  
I know I'm a bad influence  
Worse than Charles Manson  
So break up with me  
Just break up with me
