

My Inspiration

3 Feet Smaller

What a boring day, what else can i say . Or what else can i do
Your not here with me, and i don't wanna be alone or without yo
u

It happend on May 31, where i found out that life goes on . I h
ope you know it's true,
i wanna spend my life with you . But now i'm wondering, if you
feel the same .

All the things i fear, are away when your here and hold me tigh
t . You are all i have, and you are my princess
And my inspiration .

Everyday i love you more, i never felt this way before .
I know i'm not always easy, i know it's hard to deal with me .
But your still here to stay .

Your so cute and so smart, when i see you i fall apart.
Your always in my heart

I hope you know it ain't no lie, don't wanna hear you say good
bye

Everyday and everynight, i want you here by my side.
And you know it's true, that i'm in love with you
