

One Night Stand

3 Feet Smaller

It all started last night
I was drunken and horny too
I went out with my friends and
all I wanted was a girl like you
you came with me to my flat
and we did it all night long
I woke up and she said
I think it's time now to go home
I don't now
why you got to go
You were just another one night stand
you left me here with my right hand
just another one night stand
4, 3, 2, 1 night stand
I said to myself
that this will never happen again
the next time I'll lock the door
before she can leave in the morning
said and done, you're the one
who's going to spend the night with me
I woke up and was alone
'cause she jumped out of the window
