

Punk?

3 Feet Smaller

The Assholes are back
with a few new tracks
We are still arrogant and drunk
You like to tell us
That we're no punkfellas
Did we ever say we were?
ahm yeah
ok our fault
Here we go
we're just playing shows for the dough
We're drug addicted but not addictive
Here we go
we're just playing shows for the dough
Cocky by nature we're haere to capture
We're not sexist
Hey bitch, back to kitchen
Oh, what a subtle irony
But some of you don't get it
You are pathetic
We say and do whatever we want
So, fuck you
Here we go
we're just playing shows for the dough
We're drug addicted but not addictive
Here we go
we're just playing shows for the dough
We got no mohawk, we're not punkrock
We just suck, so what
here we go
we're just playing shows for the dough
here we go
we're just playing shows for the dough
My english's not bad, mine are perfect (;-))
All of my lines rhyme
Wanna get a date with fran fine
We're only here to entertain
You think "not these bitches again"
Keep saying that you really hate us
That just promotes us
more and more
Here we go
we're just playing shows for the dough
We're drug addicted but not addictive
Here we go
we're just playing shows for the dough
Cocky by nature we're haere to capture
Here we go
Not doing this shit for you
We just play music cause we love it
Here we go
An autography costs 10€
