

## Reason Unknown

3 Feet Smaller

Prickle inside  
you've got the panty on backwards  
stick my prick down your throat until it hurts  
put that in your pipe and smoke it  
choke bitch you'll never cheat on me again  
it's eldritch  
how I get crazy  
Do you still love me?  
Have you thought of me when you fucked with him  
Now way  
a face marked by sorrow  
I hate this asshole. Why should I forgive you  
this situation is your fault  
I SHOULD HAVE KNOWN! I SHOULD HAVE KNOWN!  
and I thought that you where grown,  
but I was wrong  
my fault  
I was blind too long  
REASON UNKNOWN! REASON UNKNOWN!  
your statement's a condradiction botheration,  
straightforwardness is gone  
you little bitch  
you are mentally retarded  
you fuck araround with other guys and afterwards you  
regret it  
I'm trying to figure out where I turned wrong in this  
race  
maybe you can tell me where I punch you in the face  
every word that you say seems dishonest to me  
I just want clarity  
don't try to blame it on me  
I get so frustrated  
I'm crying  
I hate it  
I'm still in love with you but I can't forgive this  
I SHOULD HAVE KNOWN! I SHOULD HAVE KNOWN!  
and I thought that you where grown,  
but I was wrong  
my fault  
I was blind too long  
REASON UNKNOWN! REASON UNKNOWN!  
your statement's a condradiction botheration,  
straightforwardness is gone  
I go stark raving mad, please go before it escalates  
you'll live to rue it  
now you cry  
and now it escalates  
stark raving mad, stark raving mad, stark raving mad...  
I SHOULD HAVE KNOWN! I SHOULD HAVE KNOWN!  
and I thought that you where grown,  
but I was wrong  
my fault  
I was blind too long  
REASON UNKNOWN! REASON UNKNOWN!  
your statement's a condradiction botheration,  
straightforwardness is gone
