

Snore

3 Feet Smaller

You're really the sweatest actually
Think I cant be compared with you
You're every man's dream
but the night with you is more than terrible
'cause when you sleep you make that noise i cant stand
Please stop to snore i cant sleep
Your sound is so shaddering
Sleep on the couch I can
Please be nice stop snoring
If you only could hear yourself sleeping
You would know just how I feel
And don't get me wrong you are very nice
But please sleep at your home tonight.
Please stop to snore i cant sleep
Your sound is so shaddering
Sleep on the couch I can
Please be nice stop snoring
Please sleep at your home tonight.
Please sleep at your home tonight.
Please stop to snore i cant sleep
Your sound is so shaddering
Sleep on the couch I can
Please be nice stop snoring
