

## Vienna Chainsaw Massacre

3 Feet Smaller

as long as a band plays in front of 10 people  
they're cool and you're their biggest fan  
but if this scene is all about being underground  
leave us out or we'll voluntarily back out  
this is my life. this is my way  
everday's my day. i'm the allmighty  
we have no credibility, that's what you say  
but what's more credible than doing what we want?  
pain/fame/punk/no/musician/yo  
you can't stop my potty mouth  
this is my life. this is my way  
everday's my day. i'm the allmighty  
tell me what i should do and be sure i do the opposite  
a reorganisation's what we need, shup up go suck a dick  
i don't need political messages to play a damn good show  
the way i feel/think/love and hate is something you'll  
never know  
this is my life. this is my way  
everday's my day. i'm the allmighty  
this is my life. this is my way  
everday's my day. i'm the allmighty  
this is my life. this is my way  
everday's my day. i'm the allmighty
