

# The Sun Rises Over the Fjords

3 Inches of Blood

Whooo, yeah!

The sun!  
rises!  
over the fjords!

over the fjords...  
The sun rises over the fjords...

Ooh, ooh, ooh...

The sun rises again over the fjords,  
over the icy wind it rises again...  
The sun rises up over the fjords,  
over the fjords it rises again...
