

Carried a spell
And I bound it well
I tethered it to the bone
She came to me twice
But she fell through the ice
I watched as she sank like a stone
Well, I got a rope and it's running out...

She never cried, she never could
She didn't lie, you misunderstood
I'm not gonna give up this heart attack
And as she sank into the blue
That's when I knew what I had to do
Oh

'Cause I'm not gonna give up this heart attack
I react - react
But I'm not gonna give up this heart attack
I react - react - react
Oh

I gave her my heart
And she tore it apart
Buried it when she was done
I said to myself
Well, you've still got your health
The blood lust had only begun

And I'm not gonna give up this heart attack

She's crying out beneath the ice
She needs another willing sacrifice
But I'm not gonna give up this heart attack
I followed down into the blue
I thought I knew what I had to do
Oh

'Cause I'm not gonna give up this heart attack
I react - react
I'm not gonna give up this heart attack
React (react)- react (react)- react
Oh

Out from under your overdose
How many years was I comatose?
How many days gone by?
Looking for light in your empty eyes
All the same 'cause you won't remember my name

Carried a spell and I bound it well
Tethered it to the bone
Well, she called on me twice
So I broke through the ice
I caught her and I brought her back home
Oh

'Cause I'm not gonna give up this heart attack

I react (react)- react (react)
Not gonna give up this heart attack
React (react)- react
Oh (Not gonna give up this heart attack)
(We give it all) React (react) - react (react)
But I'm not gonna give up this heart attack
React - react - react
Oh
React - react - react
