```
  I won't suffer: be broken: get tired: or wasted Surrender to nothing: I'll give up what I Started and stop this: from end to beginning A new day is coming: and I am finally free
  Run away: run away: I'll attack Run away: run away: go chase yourself Run away: run away: now I'll attack (I'll attack, I'll atta-AAARRRHHHH)
  I will have kept you, forever: but we had to sever It ended for both of us: faster than a Kill off this thinking: it's starting to sink in I'm losing control now: but without you I can finally see
  Run away: run away...
  Your promises: they look like lies
```

3. Your promises: they look like lies Your honesty: like a back that hides a knife I promise you: I promise you And I am finally free

R: Run away: run away: I'll attack
Run away: run away: go chase yourself
Run away: run away: now I'll attack
(.....I will attack)

Your promises I promise you (promise you)
