

Search and Destroy

30 Seconds To Mars

Grab your gun, time to go to hell
I'm no hero guilty as charged
Search and destroy

Found my faith, living in sin
I'm no Jesus but neither are you my friend
I'm a whore above the broken dreams
This simple answer is never what it seems

A million little pieces we've broken into
A million little pieces I've stolen from you
Search and destroy, search and destroy
Search and destroy, search and destroy

Sold my soul, from heaven into hell
Sick as my secrets, but never gonna tell
Lock the blame, burden of my dreams
Cause of faith in a blessing I believe
I believe
I believe
I believe
Oh, I believe (a million little pieces)
I believe

Search and destroy, search and destroy
Search and destroy, search and destroy
Search and destroy

Let go, let go
Let me go, let me go
Let go, let go
Let me go

Search and destroy (a million little pieces)
A million little pieces
A million little pieces
A million little pieces (search and destroy)
A million little pieces
A million little pieces
A million little pieces
Stolen from you

Search and destroy, search and destroy
Search and destroy, search and destroy

A million little pieces
A million little pieces to start
