The Fantasy

30 Seconds To Mars

With the lights out it's a little less dangerous Even with a stranger never gets painless Don't be afraid (afraid, afraid) Every time I think I'm gonna change it (think I'm gonna change it, think I'm gonna change it) It's driving me (driving me) insane (insane) (Yeah, yeah, yeah) Do you live, do you die, do you bleed For the fantasy In your mind, through your eyes, do you see It's the fantasy Maybe tonight we can forget about it all It could be just like heaven I am a machine No longer living, just a shell of what I dreamed (Yeah, yeah, yeah) Do you live, do you die, do you bleed For the fantasy In your mind, through your eyes, do you see It's the fantasy Say it, say it, say that you believe Say it, say it, to me Do you live, do you die, do you bleed For the fantasy Automatic, I imagine, I believe Do you live Do you die Do you bleed For the fantasy Do you live, do you die, do you bleed For the fantasy In your mind, through your eyes, do you see It's the fantasy Automatic, I imagine, I believe Automatic, I imagine, I believe Say it, say it, say what you believe (Automatic, I imagine, I believe) Say it, say it, say it to me (Automatic, I imagine, I believe) Say it, say it, say what you believe (Automatic, I imagine, I believe) Say it, say it, say it to me Automatic, I imagine, I believe I believe, I believe, I believe
