

This is a call to arms, gather soldiers  
Time to go to war  
This is a battle song, brothers and sisters  
Time to go to war

Did you ever believe?  
Were you ever a dreamer?  
Ever imagine heart open and free?  
Did you ever deny?  
Were you ever a traitor?  
Ever in love with your blood lust and need?

This is a call to arms, gather soldiers  
Time to go to war  
This is a battle song, brothers and sisters  
Time to go to war

Ever want to be free?  
Do you even remember?  
Want to be god and devil like me?  
Ever want to just stop?  
Do you want to surrender?  
Or fight for victory?

Here we are at the start, I can feel the beating of our  
hearts  
Here we are at the start...

Darkness falls, here comes the rain to wash away the  
past and the names  
Darkness falls, here comes the rain to end it all, the  
blood and the game

Far, far away in a land that time can't change  
Long, long ago in a place of hearts and ghosts  
Far, far away in a land that time can't change  
Long, long ago in a place of hearts and ghosts

This is a call to arms, gather soldiers  
Time to go to war (Far, far away...)  
This is a battle song, brothers and sisters  
Time to go to war (Long, long ago...)  
This is a call to arms, gather soldiers  
Time to go to war (Far, far away...)  
This is a battle song, brothers and sisters  
Time to go to war

This is a call to arms, way of the night  
This is a battle song, way of the night
