

Year Zero

30 Seconds To Mars

Be a hero
Kill your ego
It doesn't matter it's all just a pack of lies
Build a new base
Steal a new face
It doesn't matter it's all just to save you
We'll never fade away
We'll never fade away

I will stand my own ground
I will tear down myself
I won't fade

Year zero
Another hero
Is anybody alive here across the line?
Buy a new face
Start a new race
It doesn't matter it's all just to save your faith
It's all just to save you
It's all just to save your faith
It's all just to save you

We'll never fade away
We'll never fade away

I will stand my own ground
I will tear down myself
I will stand my own ground
I will tear down myself
I won't fade
I won't fade

We'll never fade away
We'll never fade away
We'll never fade away
We'll never fade away

We'll never fade away
We'll never fade away (We will never fade away)
We'll never fade away (We will never fade away)
We'll never fade away (We will never fade away)
We'll never fade away (We will never fade)
We'll never fade away (We will never fade away)
We'll never fade away (We will never fade)
We'll never fade away
