

Today seems like a good day to burn a bridge or two  
The one with old wood creaking that would burn away right on cue  
I try to be not like that but some people really suck  
Some people need to get the axing chalk it up to bad luck

I know a drugstore cowgirl so afraid of getting bored  
She's always running from something so many things ignored  
I might do that stuff if it didn't make me feel like shit  
I'm on some old reality tip so many trips in it

Beautiful disaster  
Flyin' down the street again  
I tried to keep up  
You wore me out and left me ate up  
Now I wish you all the luck  
You're a butterfly in the wind without a care  
A pretty train crash to me and I can't care  
I do I don't whatever

I know a drugstore cowgirl so afraid of getting bored  
She's always running from something so many things ignored  
I try to be not like this but I thought it'd make a good song  
There's nothing to see shows over people just move along

Beautiful disaster  
Flyin' down the street again  
I tried to keep up  
You wore me out and left me ate up  
Now I wish you all the luck  
You're a butterfly in the wind without a care
