Love Song

Whenever I'm alone with you You make me feel like I am home again Whenever I'm alone with you You make me feel like I am whole again

Whenever I'm alone with you You make me feel like I am young again Whenever I'm alone with you You make me feel like I am fun again

However far away, I will always love you However long I stay, I will always love you Whatever words I say, I will always love you I will always love you

Whenever I'm alone with you You make me feel like I am free again Whenever I'm alone with you You make me feel like I am clean again

However far away, I will always love you However long I stay, I will always love you Whatever words I say, I will always love you I will always love you
