

To Be Honest

311

To be honest
For the boy is hard
He doesn't mean to break all those girls hearts

Perks that flow
Loaded gun
Only says them just to have his fun
And it sounds like this

On my mind, all the time
You're my one and only, huh

Kick the booty
The boy is not hard
He throws down like a crazy retard

A gentle lie
And a clever line
A deceptive romance makes for him to
And it sounds like

On my mind, all the time
You're my one and only, huh

Boy, the boy, boy, the boy

And it sounds like this

On my mind, all the time
You know you're my one and only
