360

Ay, yeah, ay, yeah, ay

I don't care what you say
If you're not behind me, stay the fuck out my way
I'm livin', no speed limits
I don't care what you say
If you're not behind me, stay the fuck out my way
I'm livin', no speed limits
(You know, I used to give a fuck, now I give a fuck less)
(I used to give a fuck)
(You know, I used to give a fuck, now I give a fuck less)
(I used to give a fuck)

Ayo, I used to give a fuck, now I give a fuck less (less)
While we're on that subject, I'm pissin' off the fuckheads
And puttin' 'em in such stress
(Cause everything I want in life I haven't even done yet)
I said I'm off, fly them off then I get across
Anything that you hate about me is everything that you jealous of
Like tennis courts and center folds
Everything that you never got I just went ahead and bought
King, (I'm the motherfucking rule of God)
The basics, motherfucking rule of God
My suit is on, come and check for that new Everyday I 'em on
That's they type of food I'm on

I don't care what you say
If you're not behind me, stay the fuck out my way
I'm livin', no speed limits
(You know, I used to give a fuck, now I give a fuck less)
(I used to give a fuck)

Ayo, I used to give a fuck, now I give a fuckhead
The finger who's upset that I bunk bedded their sister
Some said that they bitter
Then come check me and get up
They talk about me then walk around me, they ain't step to the winner
Ahead and my time better be crossing the enemy's line
They forfeit, they try to rhyme but they force it
I'm awesome, they awkward
Talk about me in forums but when they see me it's all good
If haters wanna talk about me ya'll should
Promote my name, with the love or hate, it's all good
Whatever you say it doesn't affect me, it's gettin' me payed
Just remember the name (sixty) at the end of the day

I don't care what you say
If you're not behind me, stay the fuck out my way
I'm livin', no speed limits
(You know, I used to give a fuck, now I give a fuck less)
(I used to give a fuck)
