

# Back Alley Sally

.38 Special

Alright

Back Alley Sally  
When you gonna come my way?  
It's over here, bouncin' baby  
I been waitin' for you night and day

You got a crew all shook up  
How long's it gonna take for you to give it up?  
Back Alley Sally, I can play your game

Back Alley Sally  
I know I'm just a crazy fool  
I have never, never met a woman  
A woman quite like you

You got, I swear you got those crazy eyes  
Kinda like to take a man by surprise  
Back Alley Sally, I love to watch you move

Well, I know you like to tease and show your stuff  
Ooh baby, I'm callin' your bluff  
Come a little closer, let's get on down  
We'll drink my whiskey, tear up the town

Back Alley Sally  
Tell me what you want to do  
I got to be back up  
I got to leave here soon

You got, I swear you got those crazy eyes  
Kinda like to take a man by surprise  
Back Alley Sally, I love to watch you move  
Yes I do

Well I know you like to tease and show your stuff  
Ooh baby, I'm callin' your bluff  
Now don't think I'm just messin' around  
You're the cream of the crop and my kind of gal

Back Alley Sally  
Is that the kind of game you play?  
I got to pay your price if I want you to stay  
Back Alley Sally  
I got to pay your price if I want you to stay

Back Alley Sally  
I got to pay your price  
I got to pay your price  
I got to pay your price if I want you to stay
