

It was a coal black night  
I was standing on a pier  
I was thinking of a time  
When you were here  
We were so in love  
We were blind to the world  
Through the innocent eyes  
Of a boy and a girl  
Oh baby time goes on  
But the memory won't fade  
And when I hear that old song  
I can't help thinkin' 'bout the love we made

One time I'd like to go back  
To see better with not so innocent eyes  
One time I'd like to do that  
If I could find a way  
Now that innocent eyes have faded

On the night we met  
We danced across the floor  
From our first embrace  
We were hungry for more  
But baby time goes on  
But the memory plays games  
And when you hear that old song  
Do you ever stop thinkin' about the love we made

One time I'd like to go back  
To see better with not so innocent eyes  
One time I'd like to do that  
If I could find a way  
One night is all that I ask  
To see better with not so innocent eyes  
One time I'd like to go back  
If life would play that way  
Oh but innocent eyes fade
