

You walked into the room last night  
Like a song on the wind  
And I sensed a new beginning  
The way the light had caught your hair  
I couldn't help but stare  
And I could tell what you were thinking  
Maybe I'm high but I don't get high anymore  
Not 'til you come through the door  
The the room starts spinning and my hands begin to sweat  
The words I've been rehearsing are so easy to forget  
Falling like a stone flying like a jet  
And I'm losin' control losin' control.  
It's the signs of love  
It's the signs of love  
It's the signs of love  
And I got it bad  
I been hangin' out on your street  
Just hoping for the chance to meet ya  
As if I'd know waht to say if I did  
But luck you come on by  
I see that look in your eye  
And I can tell what you're thinkin'  
Maybe I'm high  
But I don't get high anymore  
Not 'til you come through the door  
Send me a message tell me what to do  
You can be honest but please don't be cruel babe  
Send me a message tell me what to say  
I got it bad yea I got it bad  
Send me a message tell me what to do  
You can be honest but please don't be cruel  
There's only so much I can play the fool  
And I'm losin' control losin' control  
Send me a message tell me what to do  
You can be honest but please don't be cruel babe  
Send me a message tell me what to say  
Let's get together please don't run away  
It's the signs  
Send me a message, Send me a message, Send me a message  
Maybe I'm high let's get together  
It's the signs, It's the signs, It's the signs
