

Who's Been Messin'

.38 Special

I've never seen a woman like you
Always on the run.
I called and you weren't there,
You never stay at home.
Baby, I know, that you've done me a-wrong.
Baby, I know, that your time is gonna come.
I say,
A-who's been a-messin'
Around with you.
A-who's been a-messin'
A-tell the truth.

And what you plan to do.

Baby, I know, it's just part of a game you play.

A-who's been a-messin' (Who's been messin')
Around with you.
A-who's been a-messin' (Who's been messin')
A-tell the truth.
