Staring at the flames as they dance in red On the corpse of the land there in

the midst are wandering a countless unnamed Walking hand in han d Blind leading

blind aimlessly into the quicksand of time where they sink On t he brink of

eternity cold and alone shrink At the festering obscene corrupt ion Hear my

silence in the face of this mass destruction

All rise, abandon your shadows and cut ties to your selfish pri de Fix your eyes

on the sun Get burned on the inside and turn these tides All ri se, abandon your

shadows and cut ties to your selfish pride Fix your eyes on the sun Get burned

on the inside

Closed minds ill equipped to deal with this madness Hearts far to hard to

challenge a sadness that draining The soul of a generation Blan keted with tears

are faces of nations into the quicksand of time where they sink On the brink of

eternity cold and alone shrink At the festering obscene corrupt ion Hear my

silence in the face of this mass destruction

All rise, abandon your shadows and cut ties to your selfish pri de Fix your eyes

on the sun Get burned on the inside and turn these tides All ri se, abandon your

shadows and cut ties to your selfish pride Fix your eyes on the sun Get burned

on the inside

Everyone laughs, everyone cries, everyone lives Everyone dies a nd in between

they crawl Through stagnate realities longing to fly

All rise, abandon your shadows and cut ties to your selfish pri de Fix your eyes

on the sun Get burned on the inside and turn these tides All ri se, abandon your

shadows and cut ties to your selfish pride Fix your eyes on the sun Get burned

on the inside All rise, abandon your shadows and cut ties to yo ur selfish pride

Fix your eyes on the sun Get burned on the inside All rise, aba ndon your

shadows and cut ties to your selfish pride Fix your eyes on the sun Get burned

on the inside
