

All I Need

3LW

I, I wanna love ya
I, I wanna love ya

Baby ever since I found you seem's like
Every day I've been happy
Said the way that you love me turns me out
I can feel my heart beat
Seem's like lately I've been thinkin', feelin' that you are everythin'
g
Seem's like more and more I'm hopin'
That you will be all I need, all I need

All I need, all I need, all I need is you
Baby you're everything, everything, everything baby you
All I need, all I need, all I need is you
Baby you're everything, everything, everything that's you

Baby it's that way you do me
Keepin' me straight up strung out on ya lovin'
Baby it's so amazin'
Never dreamed I'd be cravin' to be open
Never knew love could be alive
Swear I always thought it was a joke and
Didn't know and now I realize real love
Now baby I'm hopin' that you

Stay right here with me
Givin' me all, givin' me all
All the love I need
Baby you're all, all I need

All I need, all I need, all I need is you
Baby you're everything, everything, everything baby you
All I need, all I need, all I need is you
Baby you're everything, everything, everything that's you

I don't wan't nobody but you
I don't need nobody but you
Said I don't want nobody but you
Cuz I don't love nobody but you

I, I wanna love ya (yes I do)
I, I wanna love ya (can I love you?)
I, I wanna love ya
I, I wanna love ya

All I need, all I need, all I need is you
Baby you're everything, everything, everything baby you
All I need, all I need, all I need is you
Baby you're everything, everything, everything that's you
