

There's some things on my mind  
I don't know that I should be thinkin'  
Am I wastin' my time thinkin' 'bout  
You and I, and these feelings  
Cause I see you and me holdin' hands  
Doin' things, goin' further  
But they say we're too young  
And those things will come  
I'm just curious

When can I touch you?  
When can I kiss you?  
I'm curious  
Nothin' more than a thought  
Comin' straight from the heart  
I'm just feelin' us

Thinkin' 'bout you and me  
Thinkin' 'bout how it feels  
I'm curious  
I just wanna know what  
True love is, though  
I'm just feelin' us

On the phone in my bed  
On my back, starin' at the ceiling  
When I'm talkin' to you  
What I feel, is it true?  
I'm wondering  
Well I tell it, and I  
What I feel deep inside  
It keeps burning  
Does my man understand  
Everything that I am  
I'm just curious  
I'm just curious

When can I touch you?  
When can I kiss you?  
I'm curious  
Nothin' more than a thought  
Comin' straight from the heart  
I'm just feelin' us

Thinkin' 'bout you and me  
Thinkin' 'bout how it feels  
I'm curious  
I just wanna know what  
True love is, though  
I'm just feelin' us

If I could have things my way  
We'd go pass time  
Maybe we'd do the things  
I'm thinkin' in my mind  
And all the things I want to know, I'd know  
The places we'd explore, I'd go

But now I see us both together  
Learnin' more about each other

When can I touch you?  
When can I kiss you?  
I'm curious  
Nothin' more than a thought  
Comin' straight from the heart  
I'm just feelin' us

Thinkin' 'bout you and me  
Thinkin' 'bout how it feels  
I'm curious  
I just wanna know what  
True love is, though  
I'm just feelin' us

When can I touch you?  
When can I kiss you?  
I'm curious  
Nothin' more than a thought  
Comin' straight from the heart  
I'm just feelin' us

Thinkin' 'bout you and me  
Thinkin' 'bout how it feels  
I'm curious  
I just wanna know what  
True love is, though  
I'm just feelin' us

You know boy  
We both know that we have a thing for each other  
And it's natural for us to both wonder  
What it would be like  
But the time is not right  
And I hope you're satisfied  
Because I'm satisfied  
Just bein' curious

I can't get you off my mind

When can I touch you?  
When can I kiss you?  
I'm curious  
Nothin' more than a thought  
Comin' straight from the heart  
I'm just feelin' us

Thinkin' 'bout you and me  
Thinkin' 'bout how it feels  
I'm curious  
I just wanna know what  
True love is, though  
I'm just feelin' us

You're always on my mind

Thinkin' 'bout you and me
