

Funny how love feels  
Funny how love can be  
Funny how love feels feels

I didn't know until today  
I could get hurt so easily  
But now I realize  
(Each time that you say goodbye)  
That I almost cried  
Why must you go  
Can't you stay  
I wish you could be here everyday  
Holding me close to you  
(We both know it don't feel right)  
To say goodbye

Ain't it funny how  
Love can bring you down  
Cause you know somethings wrong yeah  
Then you turn around  
Suddenly you found  
That true love keeps you strong  
So you can hold on

Funny how love can be so wrong so wrong sometimes  
Funny how love can be can be so right

I didn't think about it much  
I didn't know the meaning of giving me heart way  
(I'm hoping someday you's say)  
You feel the same boy  
And now I know love is true  
And I don't want to be here without you  
Whether you're near or far  
(I close my eyes there you are)  
Right here in my heart

It's kinda funny how now when I get down  
Feel like you can't go on  
Then you turn around suddenly you found  
That your love keeps you strong  
(So you can go on)

Funny how love can be so wrong so wrong sometimes  
Funny how love can be can be so right  
Funny how love can be so wrong so wrong sometimes  
Funny how love can be can be so right

Funny how love feels  
Funny how love can be  
Funny how love feels feels
