

# Ghetto Love And Heartbreak

3LW

Oh  
Oh  
Yeah  
It's been almost a year since we first met  
and that's the day that I'll never forget  
Got me all caught up in your web  
but a new  
cause your the type of guy that girls like to sweat  
just so they can see how far they'll get  
maybe take a ride up in your 6  
not ever in that picture could I fit

Ghetto love and heartbreak  
is always a mistake  
trust your heart to someone  
when you think you're in love, cause you thinking you're in love  
they gon' do their own thing  
ghetto thugs they don't change  
so don't give your heart away  
cause you're gonna get hurt, when you think you're in love

As the days went on I knew  
I knew that you were more then sexy more than cute  
had a little look inside your eyes  
that no girl could ever say no to  
much personality  
a living game for every girl you see  
know just what to say and how to please  
but there's no room there for me

Ghetto love and heartbreak  
is always a mistake  
trust your heart to someone  
when you think you're in love, cause you thinking you're in love  
they gon' do their own thing  
ghetto thugs they don't change  
so don't give your heart away  
cause you're gonna get hurt, when you think you're in love

I tried so hard to believe that you only wanted me  
but that was just my fantasy  
and you let me down  
playing around like you were feeling me  
but you were busy doing your thing

Ghetto love and heartbreak  
is always a mistake  
trust your heart to someone  
when you think you're in love, cause you thinking you're in love  
they gon' do their own thing  
ghetto thugs they don't change  
so don't give your heart away  
cause you're gonna get hurt, when you think you're in love

Ghetto love and heartbreak

they gon' do their own thing  
ghetto thugs they don't change  
so don't give your heart away  
cause you're gonna get hurt, when you think you're in love

think you're in love  
then tell me now  
whats really up  
if you think I'm the one  
I need to know  
Don't let me down

Ghetto love and heartbreak  
is always a mistake  
trust your heart to someone  
when you think you're in love, cause you thinking you're in love
