

Leave Wit You (I Think I Wanna)

3LW

uh-huh, uh-huh
uh-huh, uh-huh

lookin' familiar, i don't know,
have i seen you somewhere before,
kill the small talk let's hit the floor, (are you ready)
to do something you aint done before,
i'll work it 'til you can't take no more,
i think i'm the girl you came here for, (if you can't get it)

i like it
what your doin'
how your movin'
so keep it comin' boy put it on me

i think i wanna leave wit you do you wanna leave wit me
tell me what you wanna do boy
oh-oh-oh
i think i wanna leave wit you do you wanna leave wit me tell me
what you wanna do boy
(if you can't get it)

you're lookin' at me like you want more, so after the party let
's explode, turn off the lights
and lock the door, (when we're ready) but we aint leavin' here
'til i'm full, freakin' eachother
'til we sore, think i'm the girl you came here for (if you can't
get it)

i like it
what your doin'
how your movin'
so keep it comin' boy put it on me

i think i wanna leave wit you do you wanna leave wit me
tell me what you wanna do boy
oh-oh-oh
i think i wanna leave wit you do you wanna leave wit me tell me
what you wanna do boy
(if you can't get it)
