

## Ocean

3LW

He who stands by me  
Through the stormy weather  
Through good times and bad  
Always there for me  
Takes me to the water  
And quenches my thirst  
My sweet inspiration  
I wanna say

Your love is an ocean  
Wide as the skies  
A comfort to me  
Time after time  
Your precious love  
Fills up my cup  
Touches my soul

He who knows me better  
Than no man on earth  
Guides me to the mountain  
Witness my rebirth  
Makes me feel so worthy  
To belong to him  
I treasure my commitment  
And it's because of...

Your love is an ocean  
Wide as the skies  
A comfort to me  
Time after time  
Your precious love  
Fills up my cup  
Touches my sou

When I think of your love  
A ray of hope shines through  
And shatters the darkness I felt  
Erase all the doubt  
And the fears that chains  
And guides me to your Heavenly place  
Ooh

I know you'll always be there  
Through thick and thin  
I know I can depend on you  
Through thick and thin  
You comfort me with loving arms  
Through thick and thin  
He's mine  
Mine  
Ooh

Your love is an ocean  
Wide as the skies  
A comfort to me  
Time after time  
Your precious love

Fills up my cup  
Touches my sou

Sing it again, sing it again

Repeat 1 while:  
You're a comfort, to me  
I praise you, praise you constantly  
I gave you my heart, gave you my soul  
I want you to know that I love you

I give my praise to you
