

Put Em Up

3LW

i saw this guy 6 foot 3, talking on his cellie, looking at me, i liked his v
ibe, the magnul
eyes, (oh yea, mmm mmm) across the room, the way he moved, looking all hot i
n them timbaland boots,
i liked the things, the things he do, (oh yea, mmm mmm)

you know its time for dancing, tonight if you wanna take a chance and, my sin
gle ladies need some
attention, i wanna see the fellas make a move, throw it up, give it up dont
stop

(put em up) if you got money in the bank and your own credit cards and a dro
p to sit in
(let me see you put em up) if you got a clip on your cash when you go to the
club and you get in 4 free
then (let me see you put em up, put em up 4 me) if u makin money with class
and you win a booket
and you know how to treat em (let me see you put em up) maybe we can go away
ride in my escalade
until that saturday

sexy boy, come with me, daddy i got the things you need, what's you favorite
food, caramel creme, then
you need to take, take a piece of me, give me all your information, technolog
y nor
communication, and i really like the way your thoughts shine, (oh why, oh why
)
