"Back is the incredible" -> Chuck D {'Daddy Rich'}

"He-re we go.." -> Slick Rick

Let me kick to you a fable bout my DJ Daddy Rich
Born in Jamaica but had to make a switch
So he packed up his 12's and he headed 'cross the sea
Found a new rest on the road of Beverly
That's Brooklyn
Beatdowns, 40 dogs
And the Brooklyn-Queens

Cool Daddy Rich is on the 1210 mix
Scratch needs a itch like a needle does a stitch

I switch up he flips up the wax with a mixer
Bookmakers step to the Father he's a fixer

Cool to the cut, shakin butts off the ledges
Came a longer way than Benson and Hedges

The measures and levels of rhythm and scratch peaks
Speaks with fingers, the master of Technics

Solo diesel Daddy now stands in front of you
Displayin the illz that build on the one and two

{ 'Check out the Master' } { 'Daddy Rich' }
{ 'Check out the Master' }
{ 'Check out the Master' } { 'Daddy Rich' }
..
{ 'Check out the Master' }
{ 'Check out the Master' } { 'Daddy Rich' }
{ 'Check out the Master as he cuts these Jams' -> Run-D.M.C. }

{Daddy Rich continues to flex skills}

DJ D.R.

We are collectin
the papes

of the drapes

of the cuts he's selectin

Yo Pete you got a question?

Hmmmm, yeah I got one

Can anyone ever serve the Rich?

Hmmmm, no not one

To spin off, spin the twelve inches

It's a brawl that'll call both teams off the benches

Wenches that backed up, beggin for the number
Those Brooklyn-Queens better get the Liquid Plumb
Like lumberjacks, swingin an axe
Flexin the fader with the stomach in your back
Set tracks aside for the performer
Induce, and now I introduce the Rich former

{Daddy Rich continues to flex skills}

True form be givin
Yo, drive is drivin
Got the jizz on your lip
Aiiyo, how you livin?!
All hailin the master on the outro
Can anyone serve the Richie Rich?
I DON'T THINK SO

{ 'That's my man throwin down' }
{ 'That's my man throwin down' }
{ 'That's my man throwin down' }
{ 'That's my man throwin down' }

Aiiyo, can anybody touch you DJ Richie Rich?
{ 'I don't think so' -> LL Cool J }
Try to serve you?
{ 'I don't think so' -> LL Cool J }
Try to duplicate you?
{ 'I don't think so' -> LL Cool J }
Can anybody touch 3rd Bass?
{ 'I don't think so' -> LL Cool J }

We out.. peace..
