

Sea Vessel Soliloquy

3rd Bass

Richard, yeah, boy, come here, let me speak to you
What is this scattin' and scratchin' bullshit

You ain't washin' your own butt, boy
You don't do your work, you don't do nothing
Just scattin' and scratchin' bullshit

How old are you? You're eighteen years old?
At your age, boy, I was the captain of a ship
I was the captain of a ship, boy
I owned and operated my own sea vessel

bullshit
[Incomprehensible], boy
