

Paranoid

3rd Strike

Finished with my woman cause she couldn't help me with my mind!
People think I'm insane because I am frowning all the time!

All day long I think of things
But nothing seems to satisfy
Think I'll lose my mind
If I don't find something to pacify

Can you help me, occupy my brain?
Oh yeah!

I need someone to show me
The things in life that I can't find
I can't see the things that make true
Happiness, I must be blind

Paranoid!

The walls are closing in
I cant breathe cant sleep
Afraid to live another day
Too late to bow my head and prey
Hate flowing through my veins
I cant change re-arrange
Just a victim a casualty
War waged on humanity
Lost my way in the darkness of the daylight
Can't run cant hide
No love no fight
Brought to my knees by this fate I cant avoid
Scared of my own shadow its a battle living

Paranoid!

Make a joke and I will sigh
And you will laugh and I will cry
Happiness i can not feel
So love to me is so unreal
And so as you hear these words
Telling you now of my state
I tell you to enjoy life
I wish I could but its too late
