

You need a man that satisfies  
Someone that cares for you  
Someone to hold all through the night  
Make your dreams come true  
You need a man to treat you right  
Who knows just what to do  
Heart to heart or else you'll pass him by  
Break his heart it two  
Don't you know  
Pretty baby  
You drive me crazy  
Fallin' for your love  
Life is so good when I'm with you  
Just bein' friends is not enough  
Say, could one day, maybe  
You be my lady  
Together we'd be one  
I thought you would realize  
That I'm savin' all my love  
24/7

I'll be right here waitin' for you  
Can't get you off my mind  
Can't get you off my mind  
Thinkin' 'bout lovin' you  
Kissin' and lovin' you  
Can't get you off my mind  
So take my hand  
Girl don't be shy  
I promise I'll be true  
Follow on, just you and I  
Share our love that's new  
Hold me  
Love me  
Never let me go  
Anything, girl, I'll sacrifice  
Just to be with you  
Don't you know  
Pretty baby  
You drive me crazy  
Drive me crazy  
I'm fallin' for your love  
If it's too good to be with you  
That's why bein' friends is not enough  
Say, could one day, maybe  
You be my lady  
Be my lady  
Together we'd be one  
One day, girl, you'll realize  
That I'm savin' all my love  
24/7

I'll be right here waitin' for you  
Can't get you off my mind

Can't get you off my mind  
Thinkin' 'bout lovin' you  
Kissin' and huggin' you  
Can't get you off my mind

I think about you all the time

24/7

24/7

I'll be right here waitin' for you

Can't get you off my mind

Thinkin' 'bout lovin' you

Kissin' and huggin' you

Can't get you off my mind

Can't get you off my mind

24/7

I'll be right here waitin' for you

Oh baby

Can't get you off my mind

Oh baby

Can't get you off my mind

Baby, I'm waitin', I'm waitin', I'm waitin', I'm waitin' for you

24/7

I'll be right here waitin' for you

Can't get you off my mind

Baby

Thinkin' 'bout loving you

Kissin' and huggin' you

Can't get you off my mind

Can't get you off my mind

24/7

I'll be right here waitin' for you

'Cause I want you

Can't get you off my mind

And I need you

Thinkin' 'bout lovin' you

Oh my baby

Can't get you off my mind

I need to have you by my side

24/7

On my mind

All the time

I'll be right here waitin' for you

Can't get you off my mind

On my mind

All the time

Thinkin' 'bout loving you

Kissin' and huggin' you

On my mind

All the time

Can't get you off my mind
