

[Verse:]

After everything we've been through  
You're gonna question me  
After all that I've done for you  
Tell me how  
That you forget to stop and think  
Or even talk about it with me  
I can't believe you're accusing me  
You let me down

[Bridge:]

Didn't do it  
I'm innocent  
Baby you know this  
Stop listening to what they say  
Baby just focus  
Because the truth it ain't hard to find  
And you know that I wouldn't lie  
But I'm telling you one more time  
Baby I'm innocent

[Chorus:]

Everyone's blaming and accusing me  
Girl I know what it looks like but it wasn't me  
I swear  
Girl you're gotta stay by my side  
They're just trying to confuse your mind  
If you want you can call me guilty  
But I'm guilty of loving you  
I'm just guilty of loving you  
I'll be guilty of loving you  
I'm just guilty of loving you  
Guilty of loving you

What makes you think that I would go around and hurt you  
You say you love me and you trust me so now show it baby

[Bridge:]

Didn't do it  
I'm innocent  
Baby you know this  
Stop listening to what they say  
Baby just focus  
'Cause they're trying to confuse your mind  
And you know that I wouldn't lie  
So I'm telling you one more time  
Baby I'm innocent

[Chorus:]

Everyone's blaming and accusing me  
Girl I know what it looks like but it wasn't me  
I swear  
And it slowly gonna all unfold  
And when it does you will finally know  
If you want you can call me guilty  
But I'm guilty of loving you  
I'm just guilty of loving you

Call me guilty of loving you  
I'm just guilty of loving you  
Guilty of loving you

[Hook:]

Girl I know what it looks like  
But you fail to realize  
That I don't care 'bout no one else  
And it hurts that you would think  
That I could do this to you  
Girl, I love you and you know it  
(So maybe I'm guilty of) I'm just guilty of loving you

[spoken words:]

Who you gonna trust, me or them?  
You can't be serious about this  
You know me better than that

(vocals)

It wasn't me  
I swear

[spoken words:]

Now I know what it looks like  
But you gotta trust me on this one

[vocals:]

(If you want you can call me guilty)  
But I'm just guilty of loving you

[Chorus:]

Didn't do it  
I'm innocent  
Baby you know this (start listening)  
Stop listening to what they say  
Baby just focus  
'Cause they're trying to confuse your mind  
But I'm telling you one last time  
If you want you can call me guilty (But I'm innocent)

I'm just guilty of loving you  
I'll be guilty of loving you  
Call me guilty of loving you  
Guilty of loving you

Girl you gotta stay by my side  
They're just trying to confuse your mind  
If you want you can call me guilty
