Tease Me

We can do it nice and slow Sex o'clock it's getting dark And do all alone So dim the lights, lock the door Baby, come on 'Cos I've waited for this moment For so long I don't want just anybody Who wants to get it on I don't think that I can hold my feelings Back no more So baby, please stop Ooh, it's getting hot Girl, you better not Why you always wanna tease me I don't wanna waste no time So bring your body close to mine We can do it nice and slow And easy (I don't wanna waste) I don't wanna waste no time So baby, just let it all unwind Girl, don't tease me Well it's time Let your mind Blow the horn Come a little closer baby Don't be afraid Let me show you the way to my love Come on 'Cos I need somebody do love me all night long I don't want just anybody Who wants to get it on (I don't wanna waste no time) I don't think that I can hold my feelings Anymore So baby, please stop Ooh, it's getting hot Girl you better not Why you always wanna tease me I don't wanna waste no time (why you wanna tease) Don't tease me (No) We can do it nice and slow (I don't understad) Why you wanna tease (I don't understand) Tease, tease me
