[Verse] There's no doubt You're the one, the special girl in my dreams And hence down you're the best thing that has happened to me Just like a glove you are there to catch me when I'm falling You lift me up when I'm down I will always be there for you [Chorus] I want you to know that I'll always be thankful (I'm so thankful that I have you) With you by my side everyday I am grateful You give me your love, that's so true and so beautiful (So true, you're everything I could need) (Girl I want you to know that) I'll always be thankful for you [Verse] All my life, I waited patiently for you And now that you're finally here I can prove that dreams come true (Everytime I'm lost) you help me find the way (In my darkest hours) girl you're there to lighten up the days I believe if there's ever been a miracle it's here with me And now I want to say [Chorus] I want you to know that (I'll always be thankful for you girl) (ooh I'm so t With you by my side everyday I am grateful (Thankful, grateful, thankful that I have you) You give me your love that's so true and beautiful (You give me everything I could need) (So now I want you to know that) I'll always be thankful (for you) [Hook] And in my times of need (You come and rescue me) You always seem to find a way Now I believe I can reach for the moon And I (owe it all to you) You show me the right when I am wrong (When I'm weak) yet you'd be strong yea And when there are problems, you know how to solve it (Even if no words can show) still I want you to know [Chorus] I want you to know that I'll always be thankful (girl I will always be, than With you by my side everyday I am so grateful (everyday I am so thankful, ev ery single day!) You give me your love that's so true and beautiful (So true and so beautiful, so true and so beautiful) I want you to know that I'll always be thankful (I'm so thankful that I have you) So now I want you to know (that I'll always be thankful)

No matter what people say girl (I'll always be thankful)

So for now and always (I'll always be thankful) for you
