

Why does Monday, come before Tuesday  
Why do summers start in June  
Why do winters come too soon  
Why do people fall in love  
When they're always breaking up, oh why  
Why do we love if love will die  
Why does Wednesday come after Tuesday  
Why do flowers come in May  
Why springtime go away  
Why do people fall in love  
When they're always breaking up, oh why  
Why do I love you tell me why  
It's not like I can explain what's in my heart  
It's just I feel a crazy pain when we're apart  
I don't wanna breathe, I don't wanna think  
I don't wanna learn  
I don't wanna do anything  
It's not like I can describe what's going on  
It's just I feel I'm not alive  
When you're not home  
I just wanna sleep, I don't wanna be  
I just want you here beside me  
Without you there's no me  
Why does Monday come before Tuesday  
Why do summers start in June  
Why do winters come too soon  
Why do people fall in love  
When they're always breaking up, oh why  
Why do we love if love will die  
Why does Wednesday come after Tuesday  
Why do flowers come in May  
Why does springtime go away  
Why do people fall in love  
When they're always breaking up, oh why

Why do I love you tell me why  
It's not like I can escape, what's in my soul  
Cause without you inside my heart  
Where can I go  
I don't wanna see, girl you without me  
I can't go through life without you  
Without you there's no me  
Why does Monday come before Tuesday  
Why do summers start in June  
Why do winters come too soon  
Why do people fall in love  
When they're always breaking up, oh why  
Why do we love if love will die  
Why do the rivers flow to the sea  
In every flow I get your love over me, babe  
Why does my heart feel so missed  
To be in love, to fall in love  
Why don't I feel complete  
Why does Monday come before Tuesday  
Why do summers start in June  
Why do winters come too soon  
Why do people fall in love

When they're always breaking up, oh why  
Why do we love if love will die  
Why does Wednesday come after Tuesday  
Why do flowers come in May  
Why does springtime go away  
Why do people fall in love  
When they're always breaking up, oh why  
Why do I love you tell me why  
Tell me why  
Tell me why
