Why

```
Why does Monday, come before Tuesday
Why do summers start in June
Why do winters come too soon
Why do people fall in love
When they're always breaking up, oh why
Why do we love if love will die
Why does Wednesday come after Tuesday
Why do flowers come in May
Why springtime go away
Why do people fall in love
When they're always breaking up, oh why
Why do I love you tell me why
It's not like I can explain what's in my heart
It's just I feel a crazy pain when we're apart
I don't wanna breathe, I don't wanna think
I don't wanna learn
I don't wanna do anything
It's not like I can describe what's going on
It's just I feel I'm not alive
When you're not home
I just wanna sleep, I don't wanna be
I just want you here beside me
Without you there's no me
Why does Monday come before Tuesday
Why do summers start in June
Why do winters come too soon
Why do people fall in love
When they're always breaking up, oh why
Why do we love if love will die
Why does Wednesday come after Tuesday
Why do flowers come in May
Why does springtime go away
Why do people fall in love
When they're always breaking up, oh why

Why do I love you tell me why It's not like I can escape, what's in my soul Cause without you inside my heart Where can I go I don't wanna see, girl you without me I can't go through life without you Without you there's no me Why does Monday come before Tuesday Why do summers start in June Why do winters come too soon Why do people fall in love When they're always breaking up, oh why Why do we love if love will die Why do the rivers flow to the sea In every flow I get your love over me, babe Why does my heart feel so missed To be in love, to fall in love Why don't I feel complete Why does Monday come before Tuesday Why do summers start in June Why do winters come too soon Why do people fall in love

When they're always breaking up, oh why Why do we love if love will die Why does Wednesday come after Tuesday Why do flowers come in May Why does springtime go away Why do people fall in love When they're always breaking up, oh why Why do I love you tell me why Tell me why
