

## Words Without Meaning

3T

You told me you loved me  
You told me you cared  
You told me you needed me  
But I guess those were words  
Without meaning

You said I could trust in you  
You said all was fine  
You said that you spoke the truth  
But I guess those were words  
Without meaning

You told me you loved me  
You told me you cared  
You said, boy please  
Don't worry about a thing

You said together we'd be  
For the rest of our lives  
You said that you hoped and dreamed  
But I guess those were words  
Without meaning

I thought that you loved me  
I thought that you cared  
You lied straight to my eyes  
And now I  
Realize your words have no meaning  
Can't believe  
You told me  
Words without meaning
