

# Fly Away

## 4 Strings

I don't know why I came here,  
But I know I just will stay  
Everything they told me,  
Suddenly fades away.  
Sorry but I'm gone,  
For all the things I've done  
Now that I see life,  
Before my very eyes.

I take a walk beneath the waves,  
Its no ordinary day,  
Head up high I'm on my way  
I fly away  
Fly away (fly away)

You know what matters to me,  
I'm in this wide open space,  
You offer me so much,  
I fly away (fly away)

Here I sit, listening to the rain.  
I'm ok but not the same.  
I feel alive, on my own,  
In a place called home.  
(Take a walk) (echo)  
(Take a walk) (echo)

I take a walk beneath the waves.  
It's no ordinary day.  
Head up high I'm on my way  
I fly away  
Fly away (fly away)

You know what matters to me.  
I'm in this wide open space.  
You offer me so much,  
Fly away (fly away)  
Fly away (fly away)  
Fly away  
Fly away  
Fly away  
Fly away

I take a walk beneath the waves.  
It's no ordinary day.  
Head up high, I'm on my way.  
I fly away (fly away)  
Fly away (fly away)

I take a walk beneath the waves.  
It's no ordinary day.  
Head up high I'm on my way.  
I fly away
