

Drown

40 Below Summer

Chase this tease into the open wave
And take this leash into your inner slave
Follow me into the open end
Now gather these pieces of broken man

I will set in motion - to open me up again
I will make the ocean - swallow me up and then
DROWN

Close this cell - imprison your only friend
And I can't kill - but I'm not so innocent
Rid this place of me and everyone
And change this face to burn in the sun

I will set in motion - to open me up again
I will make the ocean - swallow me up and then
DROWN

Stop this life - I can not stop this life
I can not stop this life - I can not die
