

I'm Still Bleeding

40 Below Summer

Where is the reason - where is the hope -
When all your life you're left hangin from a rope
Can I be saved - can I be cut loose -
Arms tied to my side swingin from this noose
Now it's getting heavy -
Now it's suffocating -
Cauterize my wounds
But I'm still bleeding
I'm still bleeding (5x)
And I pulled you closer for a sense of relief -
I've been crucified for all my beliefs
As I take this shotgun and put it in my mouth -
Set it to righten my sorrows and blast all the pain out
Now it pulls me under -
Now the pain it breeds
To stitch me closed -
But I still bleed
I'm still bleeding [repeat]
Open your eyes - lead me inside
And fall on a landslide - inside my hindsight (2x)
I'm still bleeding -
Won't you stitch me closed - don't ya know
I'm still bleeding from this open hole (2x)
I'm still bleeding, I'm still bleeding (4x)
Stitch me closed - cuz don't ya know
I'm still bleeding (4x)
