I'm Still Bleeding

40 Below Summer

Where is the reason - where is the hope -When all your life you're left hangin from a rope Can I be saved - can I be cut loose -Arms tied to my side swingin from this noose Now it's getting heavy -Now it's suffocating -Cauterize my wounds But I'm still bleeding I'm still bleeding (5x) And I pulled you closer for a sense of relief -I've been crucified for all my beliefs As I take this shotgun and put it in my mouth -Set it to righten my sorrows and blast all the pain out Now it pulls me under -Now the pain it breeds To stitch me closed -But I still bleed I'm still bleeding [repeat] Open your eyes - lead me inside And fall on a landslide - inside my hindsight (2x) I'm still bleeding -Won't you stitch me closed - don't ya know I'm still bleeding from this open hole (2x) I'm still bleeding, I'm still bleeding (4x) Stitch me closed - cuz don't ya know I'm still bleeding (4x) BLEEDING BLEEDING BLEEDING
