

## Little Miss Happiness

40 Below Summer

I cannot stop cause it tastes so good  
She always treats me just the way she should  
And when I'm with her I'm at peace  
I can feel her inside me when I dream and I want sleep

And I smoke and I fly and I get so high and high  
I burn so long so far I'm fucking gone  
And I smoke and I fly and I get so high and high  
I burn so long so far I'm fucking gone

She always makes me feel just right  
I can coil her and round her up so tight  
She gives me everything I need  
I can taste her inside me when I breathe  
She sets me free

And I smoke and I fly and I get so high and high  
I burn so long so far I'm fucking gone  
And I smoke and I fly and I get so high and high  
I burn so long so far I'm fucking gone

I close my eyes  
And try to disappear  
And when I open them  
I am no longer here  
I am no longer here

And I smoke and I fly and I get so high and high  
I burn so long so far I'm fucking gone  
And I smoke and I fly and I get so high and high  
I burn so long so far I'm fucking gone
